

Automotive - Built-in Refrigerators

TB40AM

The built-in series for commercial vehicles and coaches meets the most diverse market requirements in terms of size, finish and ease of use.

Designed to fit perfectly with the original drawer of the new MAN TGX 2018, this refrigerator/-freezer has a capacity of about 40 litres. Produced with the most reliable components used for our OEM supplies, this product can be easily installed by inserting it into the original drawer of the vehicle and connecting it to the electrical circuit.
